

## Press Release

### **2000Charge and TRANSLATEANDLOCALIZE.COM announce marketing relationship**

PASADENA, CA -- (BUSINESS WIRE) – November 8, 2007 -- **2000Charge, Inc.**, the award winning leading provider of alternative Internet payment solutions, is strengthening its service offerings through a newly formed marketing relationship with [www.translateandlocalize.com](http://www.translateandlocalize.com), a website translation services company with offices in the United States and Italy.

As a provider of global payments solutions, 2000Charge recognizes the need for merchants to have their website pages translated into various leading languages. Providing surfers worldwide with access to their preferred local payment method in combination with translated websites makes all the sense in the world for our merchants.

Current and new merchants of 2000Charge will have the opportunity to broaden their reach by taking advantage of this cost-effective method to increase sales, as Translate and Localize will provide further credence to the already effective offering of trust and familiarity through our payment solutions.

To celebrate the event, for a limited time, new merchant sign-ups and current 2000Charge merchants will receive a free translation. For details and to take advantage of the offering, merchants are invited to visit <http://www.2000charge.com/translate.php>

#### **About 2000Charge**

Headquartered in the USA with offices in Europe and Asia, 2000Charge ([www.2000Charge.com](http://www.2000Charge.com)) is a well-established payments processor that offers merchants a complete set of payment solutions tailored to local markets around the world. The Company's focus remains alternative global Internet payments and providing merchants with easy-to-integrate and hassle-free solutions.

2000Charge has a complete line of payment services that addresses the needs of merchants to accept consumer payments from four continents: North America, South America, Europe, and Asia. Local customer support is provided in each country in their native language as part of the service offering, as well as settlement in local currencies, including USD, EUR, CAD, GBP, JPY and KRW.

Merchants wanting to increase sales and reduce costs while enabling consumers to pay with trusted brands around the globe can greatly expand payment processing options with 2000Charge. Currently, 2000Charge local solutions are operable in 36 European countries, Japan, China, Mexico, Canada and the United States.

#### **About Translate and Localize**

[www.translateandlocalize.com](http://www.translateandlocalize.com) is a language services company with locations in the United States and Italy. The company was founded in January 2005 when its President "MO" realized a need in the eCommerce industry to have a reliable and professional translations service. Since then the Mission of the company is to provide the highest possible degree of service to the Internet Industry.
